

Powerful Purpose Understanding and Living Your Purpose From The Inside Out Group Class Outline

Class 1: Understanding The Purpose of Your Soul

When we understand our sacred purpose – what we are profoundly here to experience and then offer to others, it allows us to step into the power of that purpose fully.

When we understand our sacred purpose – what we are profoundly here to experience and then offer to others, it allows us to step into the power of that purpose fully.

During this call, we:

- Put a name to your sacred purpose.
- Uncover the hidden blocks preventing you from experiencing your purpose on a profound level.
- Understand the being and doing states of your purpose.
- Know the difference between diversion and Divinely inspired action.

Class 2: The Purpose Equation: How To Deliver Your Purpose With Ease

So often you feel unaligned with your purpose because the way you distribute it is full of unease. During this class, you will understand your personal equation for your purpose and when you do, you are able to carry out the delivery systems with ease.

During this call, we:

- Determine the misalignments between your purpose and the way you present it.
- Understand what delivery systems resonate with your mind, body, and spirit.
- Create the marketing speak for your purpose and delivery systems.

Class 3: Your Purpose Vision

Everything in the world has been created twice – once in thought and the second in reality. I have found that most individuals “think” they have a vision, but it tends to be more of a checklist.

Soul Language

Consciously Connecting with Your Soul for Success

During this call, we:

- Create your master vision with your Soul.
- Understand your personal power vibration that will bring your vision into reality.
- Release past experiences and pain around failure, power, and self-worth that are preventing your vision from becoming a reality.

Class 4: Your Purpose And The Universe

The laws of the universe are here to support your manifestation process, but so often our limiting beliefs create a less-than-ideal co-creation process.

During this call, we:

- Understand how to co-create with the Universe
- Create your own personal formula for manifestation.
- Release limiting beliefs that have been preventing you from receiving what you want.

Class 5: Your Gifts of Innovation

From working with thousands of people I often see how blessed they are with talents they may not know how to utilize. How often have you heard advice about selecting a “*niche*”? For highly intuitive and innovative individuals this may be a challenge because you can do so much.

During this call, we:

- Accept your power and gifts of innovation.
- Understand how to offer and explain those gifts to others.
- Experience a new way of utilizing your gifts to support yourself and others.

Class 6: The Action Plan

Transcendence happens when transformation is put into action. During this call, you will create your action plan so that moving forward you feel safe and supported, and can fully experience the benefits of living your purpose.
